

# Theistic Philosophers on the Web

The following is a list of individuals who classify themselves as both philosophers and theists. They work in such diverse areas as metaphysics, epistemology, logic, action theory, ethics, aesthetics, philosophy of language, philosophy of logic, philosophy of science, philosophy of religion, philosophical theology, existentialism, phenomenology, political philosophy, and the history of philosophy.

If you classify yourself as both a philosopher and a theist, and would like to be on this list, drop us [a note](#).

- 
- ▶ [Marilyn McCord Adams](#) Yale Divinity School
